How to use hashi (chopsticks)

1 Place one chopstick at the base of the thumb and index finger.

2 Hold and stabilize the other chopstick with the tips of the thumb and the index finger so that the two sticks are parallel.

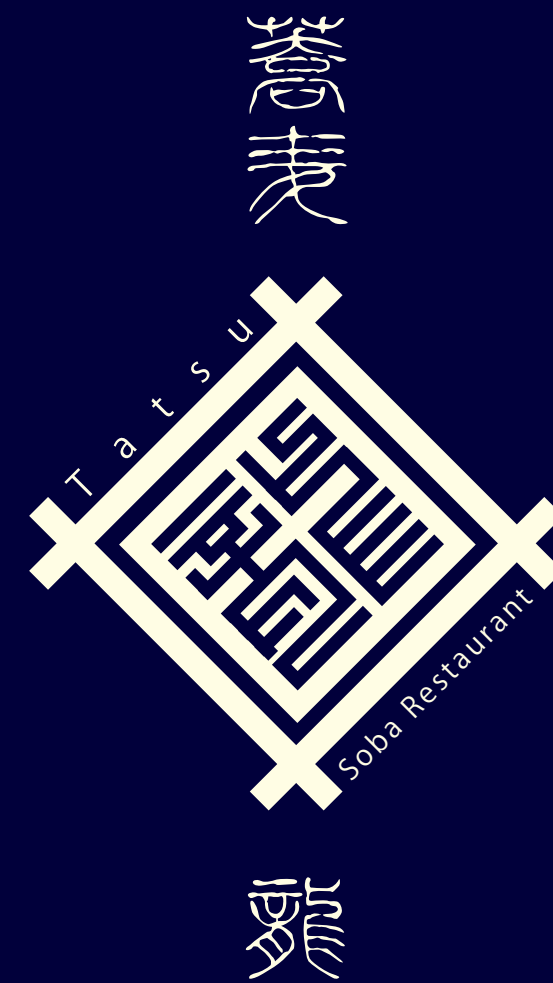

3 Make a "V-shape" with the two sticks. Pick up food with the tips of the sticks.

Some dishes are suitable for vegetarians but please note that dashi (soup stock) contains fish.
